

Acorn Class Celebration Newsletter

— Term 6

Well what a fantastic year it has been! It has flown by with all the lovely activities, exciting learning adventures and friends we have made.

Throughout Term 6 we have

- Learnt about sharks and other under water creatures. We have listened to classical music themed round the sea and have made fish puppets to dance with.
- Worked very hard on our class assembly and have grown in confidence in being able to remember lines, songs and perform in front of an audience.
- ♦ Consolidated our number skills, using numbers to 20 to add subtract, order and sequence. We have found patterns in the environment and have used mathematical language to describe shapes and pattern.
- ♦ Completed a sponsored run for The Evelina Hospital.
- ♦ Taken part in our very first school sports day as well as complete a mini workout with the athlete Gianni Frankis .

And Finally..... Acorn class have grown so much over the year and have achieved many successes; they should all be very proud of themselves! It has been an absolute pleasure to teach your children this year. I wish them all a very happy summer holiday and every success and happiness as they move on to new adventures in Year 1!

Thank you for all your support.

Wishing you all a happy and safe summer holiday!
